**NOTICE OF REGISTRATION OF TRADE NAME**

On October 15, 2001, Shuttle America Corporation, a certificated air carrier,<sup>1</sup> requested that the Department register the trade name "US Airways Express" for use in certain of its air transportation operations.

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such trade name after the carrier gives notification to similarly named carriers of the proposed use of the trade name. In support of its request to register the US Airways Express trade name, Shuttle America noted that (1) it intended to use this trade name in conjunction with its code-sharing relationship with US Airways, (2) the only similarly named carriers also conducted business pursuant to code-share agreements with US Airways, and (3) US Airways concurred with its registration of the "US Airways Express" trade name. In addition, on October 19, Shuttle America served a copy of its trade name application on US Airways. Since all other similarly named carriers conduct business pursuant to operating code share agreements with US Airways, no other notification was required.

Under these circumstances, on October 22, 2001, we orally acknowledged the registration of the trade name "US Airways Express" by Shuttle America for use in its operations. This notice serves as written confirmation of our action.

Dated at Washington, D.C. , October 24, 2001.
